If the changes do not detrimentally impact you, we may introduce the changes more quickly, without notification to you (for example where we are introducing new or improved Loyalty Benefits). In some circumstances, for example, where there has been a change in law, or where there are technical issues preventing the Loyalty Program from operating as intended, we may need to make more urgent revisions to these Terms. In that case, we will provide as much notice as we are reasonably able to.

If you continue to use the Loyalty Program after any changes to the Terms become effective, your Loyalty Program Membership will be subject to those changes. If you do not agree with any changes to the Terms, you may cancel your Loyalty Program Membership.
